## What does a Pet Wedding Attendant do?

- ✓ Monitors pets behavior to keep them calm, stress free and engaged
- ✓ Provides one on one attention for your VIP(s)
- ✓ Ensures all needs (mental, physical and emotional) are met by providing walks, potty breaks, water and food, treats and engagement activities to keep them entertained
- ✓ Transports pet to and from venue and provides decompression time after the stimulation of the wedding. Overnight care is also able to be provided
- ✓ Works alongside your wedding team to ensure your pet is able to be in as many parts of your wedding as you would like (especially your photographer to help get those picture perfect moments)
